MEMORANDUM FOR: Mr. [ ] Chairman  
Support Services Historical Board

Dick:

Herewith attached a copy of CS Historical Paper 137, "Expanded Office of Logistics Support for Vietnam Activities, December 1961 to June 1963." This is an extra copy which [ ] was kind enough to provide. I have talked to [ ] about this and [ ] stopped in this morning to take a look at it. If Logistics so desires I can have an additional copy reproduced, both of them covered by Support Services covers as has been done in previous instances. However the Vietnam paper which [ ] is working on will be far broader than this and will cover the period from December 1961 through December 1966 primarily from the point of view of the field. Therefore I am in doubt as to whether you want two Vietnam Support histories bound and included in your index.

However if Logistics wants it bound I will have it done; if they cannot use it they might return it to me so that I can give it back to [ ] with thanks: or if they want to include any of the material in [ ] more comprehensive paper they might advise me.
